

# T I M B E R T A L K

VOLUME: 5

ISSUE: 1

JANUARY 1979

EDITOR: Garry Braunwarth - Box 17, Site 9, RR 5 - Calgary, Alberta, Canada - T2P 2G6

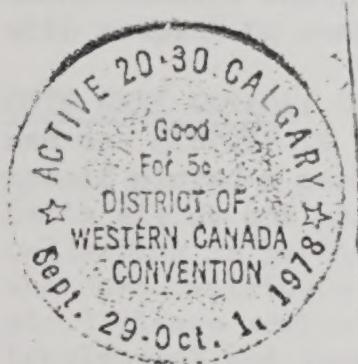

MEMBERSHIP DUES: Membership dues in The Canadian Association of Wooden Money Collectors are \$3.00 per calendar year. 1979 dues are PAST DUE! Dues should be mailed to our Secretary-Treasurer:

Bruce Watt  
1153 Northridge Street  
Oshawa, Ontario L1G 3P3

ELECTIONS: CAWMC will again hold elections this summer with the results announced during our Annual Meeting to be held sometime during the Canadian Numismatic Association's Annual Convention to be held this year in Edmonton, Alberta from July 16 - 21, 1979 at the Chateau Lacombe hotel. (Further information about the convention itself is available from Box 4111, Edmonton, Alberta, Canada T6E 4S8). Nominations are open for all positions (except Past-President, Chairman of the Board of Governors). These are: President, Vice-President, Secretary-Treasurer, Editor, and five positions on the Board of Governors. You can use the form enclosed in last month's Timber Talk, or just use an ordinary piece of paper including the Nominator's name and signature, the Nominee's name and signature, and the position they are being nominated for. (If you wish to nominate someone and do not have their signature I will forward your nomination to them if you wish; but remember this does take a few days longer.) If you would like to serve on the executive yourself, sign as Nominee and indicate the position and send it along to me.

ANA: While on the subject of conventions, the American Numismatic Association will be holding their 88th Annual Convention at the Stouffer's Riverfront Hotels in St. Louis, Missouri, U. S. A. General Chairman of the 'large' event to be held from July 29 - August 3, 1979 is Bernice F. Stevenson - 19 Roclare Lane - St. Louis, Missouri, U. S. A. 63131. There will be many Lignadenarists (wooden money collectors) present from both the U. S. and Canada with a number of formal meetings of various wood clubs and the ever-existing informal wood gatherings whenever two collectors meet.

LAST MONTH'S WOOD:

red

The Active 20-30 Club of Calgary, a service group, recently issued 1000 wooden nickels for a convention as stated on the nickel. I have a few wood left which I will sell for 25¢ each + SAE and a LOOSE mint stamp.

blue

The Active 20 - 30 Club have 200 others surplus but do not wish to get involved with selling them on an individual basis as the person looking after them is extremely busy, however for anyone wishing to obtain a few traders they will sell the 200 in four (4) lots of 50 each for \$5.00 per lot plus \$1.00 postage and handling. Order from: David R. Bennett - 23 Windermere Rd. S. W., Calgary, Alberta, Canada.

REMINDER: Again a reminder that the Prince George Spruce Dollar will be featured, probably in the next issue of Timber Talk so if anyone has duplicates, or a want list please send it to the editor NOW. Thanks.

APOLOGIES: Last month we featured a wood from Cousin Ed's and I misspelled Ed's last name. It should have been Karasiuk. If you write to Ed at Cousin Ed's Trading Post - Emma Lake, Saskatchewan SOJ 0NO and enclose \$1.00 you will probably receive 2 or 3 wooden nickels he issued, according to Frank Harding who sent the original article and information.

SICK BAY: Glad to hear that two of our members: John Brennan of Ottawa and Geoff Cleeman are feeling better after their hospital stay.

MRS. J. D. (BESS) FERGUSON, wife of CAWMC member and The Dean of Canadian Numismatics J. D. Ferguson passed away on January 14th. Our deepest and sincerest sympathy is extended to Mr. Ferguson and the other relatives.

NEW WOOD: Elsewhere in this newsletter you will find a page showing and listing two new wood. Thanks to Norm Wells for the information, and ready to photocopy as well. (If they photocopy poorly it will be a result of a combination of poor inking on the wood and photocopying a photocopy.)

POT LUCK: I have just run out of enough of any one issue to enclose with this month's Timber Talk, however I do have a number of different issues on hand that members have been kind enough to donate to the CAWMC as well as some extras to previous issues sent. You may receive a new one or may get a 'trader.'

NEW MEMBERS: Please add the following names to your membership rosters:

R-179

A. J. Wrigley  
3051 - 26th Street S. W.  
Calgary, Alta. T3E 2B6

R-181

Fred Laidlaw  
467 Forward Drive  
Victoria, B. C. V9C 1B8

R-182

Ron Marcotte  
24949 St. Christopher  
Mt. Clemens, MI. USA 48045

R-183

Paul B. McCombs  
1184 Thorndale Road  
West Chester, PA. USA 19380

R-184

Ed Karasiuk  
Cousin Ed's Trading Post  
Emma Lake, Sask. SOJ 0NO

CAWMC members should be receiving a surprise in the mail in the next few days with respect to membership roster.

COIN WEEK CANADA: Coin Week Canada will be from April 15 to April 21, 1979 and has HISTORY IN YOUR HANDS as it's theme. (Maj. Sheldon Carroll and myself played a part in the theme at last years CNA Convention in London.) Let's all do our part to promote numismatics in general and wooden money collecting in particular in support of Coin Week. Would any CAWMC member who does contribute to Coin Week (display, speaking, issuing a wooden nickel, etc.) please advise me so that I can then advise Chairman Don Allen of our involvement and support.

WANTED: by Tom Hudson of 1806 Rogers St. # 3 - Long Beach, Calif. USA 90805 the address of the person who issued the following Christmas wood which does NOT have the city and state on it: "Tom Maralyn Kurt and Tracy Kozin - Good for a Drink - 6860 South Kenneth" It is red with Buffalo reverse. Tom will refund postage on replies.

the natural plant, which has just passed a high altitude, had nearly lost its foliage. The wood was not very good, however, and the bark was not very thick. The wood was not very good, however, and the bark was not very thick.

On August 23, 1910, plants were found at 10,000 feet elevation, at an altitude of 10,000 feet, and at 10,000 feet, the plants were found to be small and slender, with few leaves. The plants were found to be small and slender, with few leaves.

On August 24, 1910, plants were found at 10,000 feet elevation, at an altitude of 10,000 feet, and the plants were found to be small and slender, with few leaves.

On August 25, 1910, plants were found at 10,000 feet elevation, at an altitude of 10,000 feet, and the plants were found to be small and slender, with few leaves.

On August 26, 1910, plants were found at 10,000 feet elevation, at an altitude of 10,000 feet, and the plants were found to be small and slender, with few leaves.

On August 27, 1910, plants were found at 10,000 feet elevation, at an altitude of 10,000 feet, and the plants were found to be small and slender, with few leaves.

On August 28, 1910, plants were found at 10,000 feet elevation, at an altitude of 10,000 feet, and the plants were found to be small and slender, with few leaves.

On August 29, 1910, plants were found at 10,000 feet elevation, at an altitude of 10,000 feet, and the plants were found to be small and slender, with few leaves.

On August 30, 1910, plants were found at 10,000 feet elevation, at an altitude of 10,000 feet, and the plants were found to be small and slender, with few leaves.

On August 31, 1910, plants were found at 10,000 feet elevation, at an altitude of 10,000 feet, and the plants were found to be small and slender, with few leaves.

On September 1, 1910, plants were found at 10,000 feet elevation, at an altitude of 10,000 feet, and the plants were found to be small and slender, with few leaves.

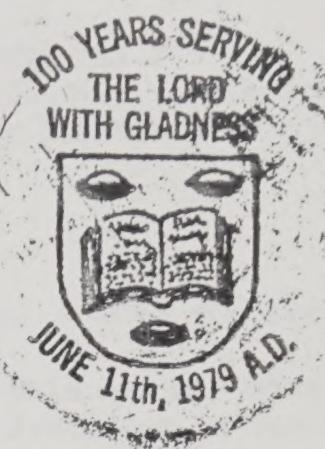

On September 2, 1910, plants were found at 10,000 feet elevation, at an altitude of 10,000 feet, and the plants were found to be small and slender, with few leaves.

On September 3, 1910, plants were found at 10,000 feet elevation, at an altitude of 10,000 feet, and the plants were found to be small and slender, with few leaves.

On September 4, 1910, plants were found at 10,000 feet elevation, at an altitude of 10,000 feet, and the plants were found to be small and slender, with few leaves.

 144 Ralph Street  
 Tillsonburg, Ont. N4G 3Z1

Information required on following - Woods.

Page 58 - #5713-1 PERTH, Tay-Towne Cleaners,  
 Obverse shown - Presumed to be Un-Official ?  
 Has anyone another Obverse for this wood,  
 such as an Indian or Buffalo ??.

Any Magician's in our Assoc. Heres one for you - Can you identify ?.

( I have done some checking and been informed this man may have operated in Vancouver in the Summer Months and also San Francisco in the Winter ?? )

(Both Sides BLACK )

Any Snowmobile Buff's in the Crowd ?? Heres one for you - Can you identify.,,

( I have checked with the Bombidier Snowmobile people in Barrie Ont, and also Roy Bates - Pres. of Ont. Assoc. of Snowmobile Clubs, he does not know of this Club, and suggests that it may be out West -- ) Perhaps Manitoba ??.

( Both Sides BLACK )

Any information regarding the above would be appreciated

Write - Norman E. Wells  
 P.O. Box 943  
 Peterborough, Ont. K9J 7A5

Can anyone help Norm out???? I am sure we are all familiar with Norm's book on Canadian wood and are looking forward to the updated edition which will also have a brief history of each wood. Also if any member has a wood which is described in Norm's book but not pictured please advise Norm so as he may still need a photocopy for his new book.

See you all next month. - Don't forget about your dues and the elections. Ed.
